

The Internet of Things

RJ 15, Privacy and Commerce: **Tuesday**

RJ 16, Technology and Prisons: **Sunday**

Bookkeeping

2

- ◆ Two more discussion sessions
- ◆ After that: final project!
- ◆ Upcoming:
 - ◆ Do research, reading; identify some policies
 - ◆ Meet with instructor: <http://tiny.cc/304FinalProjectSignup>
 - ◆ Fill out worksheet: <http://tiny.cc/FinalProjectWorksheet>
 - ◆ Everything else: <http://tiny.cc/FinalProjectInstructions>

What Can We Use it For?

4

- ◆ Transportation
- ◆ Household Devices
- ◆ Medicine
- ◆ Wearable/Portable Electronics
- ◆ Commerce

Possible Problems

5

- ◆ Privacy Infringement
 - ◆ Physical Danger
 - ◆ Danger from Devices Themselves
 - ◆ What else?
-
- ◆ How **worrisome** is each of these?
 - ◆ How **likely** is each of these?

Discussion Questions

6

- ◆ Pick one interesting device in each category:
 - ◆ Household Devices (not toasters or ovens)
 - ◆ Transportation (not cars)
 - ◆ Medicine
 - ◆ Wearable/Portable Electronics (not phones)
 - ◆ Commerce
- ◆ And, for each, as a group:
 - ◆ List the thing you would find **most useful**
 - ◆ List your **biggest concern**
 - ◆ Discuss how it could be implemented without being harmful
- ◆ At the end, record a vote: can it be implemented safely?
