

Minor in Computer Science

Students who minor in computer science must complete 23 credits of course work that satisfies the following requirements.

Core Courses (14 credits):

CMSC 201: Computer Science I

CMSC 202: Computer Science II

*CMSC 203: Discrete Structures

CMSC 341: Data Structures

* *MATH 301 may be taken instead of CMSC 203. However, it is highly recommended that students take CMSC 203 before MATH 301.*

Three elective courses (9 credits):

Any three 400 level CMSC courses will fulfill this requirement, EXCEPT CMSC 404 and CMSC 496-498.

AND

Two or fewer courses chosen from the list below:

CMSC 313: Computer Organization and Assembly Language

CMSC 331: Programming Languages

MATH 221: Linear Algebra

With departmental permission, some graduate-level courses may be substituted.

Note: Due to similarities between the Computer Science and Computer Engineering programs, Computer Engineering majors cannot minor in Computer Science.
