Design
proj. C
M & B Concrete

Due: 10/3

main()

PrintGreeting

Print Menu

GetResponse

Get Dimension

Get length  Get width

void  void

(int min, int max)  (int)  [choice]  [MIN-RESPONSE]  [MAX-RESPONSE]  [CHECK RANGE]

float inches  float (feet)

Convert Inches To feet

Choice determines thickness.

(void)  float (feet)

(float cubic feet)

Find Cubic Yards

Find Whole Yards

(float length, float width, float thickness)

(int yards)

(float price per yard)

(int min yards)

(float delivery)

(int price per yard)

(float min yards)

(float delivery charge)

Find Cost

HasDeliveryCharge

(float)

(int yards)

(int min yards)

(float delivery charge)

Print Results
